***Examiner's Amendment***

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The following changes have been made to the subject application:

In Specification,

page 5, lines 17-18 have been deleted.

page 5, after line 10, --Fig. 1 is a plan view of the pseudo-fractal antenna of Fig. 2c-- has been inserted.

The Examiner's amendment has been made to put drawing numbers in a correct order to place the application in a condition for allowance.

***REASONS FOR ALLOWANCE***

1. The following is an examiner's statement of reasons for allowance:

The cited art of record fails to teach a pseudo-fractal antenna comprising a radiator proximate to a dielectric having an effective length formed in a first pseudo-fractal geometry, the radiator including at least one section formed in a fractal geometry and at least one section formed in a non-fractal geometry wherein the at least one radiator non-fractal geometry section formed further from the transmission line interface than the at least one radiator fractal geometry section as defined in claims 3, 25 and 66, or the counterpoise having an effective electrical length formed in a pseudo-fractal geometry as defined in claims 1 and 32, or an balun antenna feed having a transmission line interface, a radiator and a counterpoise wherein the

radiator and the counterpoise being formed on the dielectric layer in a pseudo-fractal pattern and connected to balun lead port and lag port respectively as defined in claims 46 and 54.

Therefore, claims 3-17, 19-21, 25-41, 43-55, 58, 62-63 and 66 are presently allowed.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
